PUBLIC NOTICE

AMERICAN FOUNTAIN PEN

To all Requesters:

The easiest pen to fill.
One of the features which makes Moore's an unquestionably superior pen in the ease and rapidity with which it can be filled. Simply remove the cap, clean the ink in and the pen is ready for use — no ink jars to unscrew.

Moore's is a very sanitary pen to carry around in your pocket or bag, because it does not affect the original quality of the ink. Remember also that when the ink is gone, it can be simply filled with the first ink stopper - it is always clean and even.

Every one's Non-Leakable Fountain Pen contains with it the most conditional guarantee.

FOR SELL BY DEALERS EVERYWHERE.
