DR. MANN TO TALK TO ST. ANDREW'S MEETING

All Technology Episcopalians Invited to Meeting in Parish House.

Tonight, at 8 o'clock, the Technology Chapter of the Trinitarian Church of St. Andrew will hold a reception at the Trinity Parish House, 27 St. James Avenue, to which all Episcopalians attending the convention are very cordially invited. The occasion is to be entirely informal, and it is hoped that a large number of Technology men will be present for the evening. The Reverend Dr. Mann, Rector of Trinity Church, will say a few words of welcome to the men, and let every one there know that he will always be welcome in Trinity itself as he is to a meeting in Trinity Parish House this evening.

After Dr. Mann's talk there will be refreshments and the remains of the New Year's Eve, and at 10 o'clock the guests are to be served with refreshments. The reception is to be held in the Small Ballroom of the Parish House.

M. A. C. PLAYS TONIGHT.

With Seven Veterans Back, Prospects Look Bright.

The Massachusetts Aggie hockey team will start their season tonight when they meet the Harvard Men at the Arena. The Amherst College hockey team is particularly fortunate this year in having a number of veterans back, and has arrange and has arranged to have the recently organized Orchestra present to officiate on the musical end.

The refreshments will be liquid, but further than that we can not say anything in regard to that matter.

HARVARD HOCKEY.

Practice Begins in Earnest—Football Men Out.

The Harvard hockey team is being developed in earnest now since the fall. The men, Chester, Hurd, and all, Gardner and Willett, are beginning to report for regular practice. The forwards left off at Clifford and Hopkins had been declared ineligible, but there is no talk of shifting Huntington up from the Securities of Public Schools. The makeup of the defense is still doubtful, for some of the strongest men have not yet shown that they are to be put out. Smart and Carnochan at goal, and Houston at cover point have done work in the scrimmages against the B.A.A. team.

CATHOLICS WILL MEET.

Select Committee to Arrange for Dance in February.

The Catholic Club will have a dinner and meeting in the Union this evening at 6 o'clock. Arrangements are being made to secure a speaker of note who will talk to the men on some interesting topic. The committee has been working hard to make the evening a success and has arranged to have the newly organized Orchestra present to officiate on the musical end. The refreshments will be liquid, but further than that we can not say anything in regard to that matter. Good time is promised all who attend.

Seniors!!! How about that dope you are going to write about the new Horace Scholastic Society? THE TECH wishes all Seniors to express their opinions in writing and bring it around.
