WINCHESTER REPEATING ARMS

Self-Loading Rifle.

As its name indicates, this rifle reloads itself, the recoil of the exploded cartridge doing the work. This places the complete control of the rifle under the trigger finger, which permits rapid shooting with great ease and accuracy. The .351 Caliber High-Power cartridge, has tremendous killing power, making it heavy enough for the largest game. Catalogue fully describing this rifle, The Gun that shoots Through Steel, sent upon request.
