**ORCHESTRA IN SHAPE FOR POP CONCERT**

List of Members For the Winter Concert to Be Published Wednesday.

The Orchestra held a two-hour practice in the Union yesterday. It is expected to be present. As this concert will determine in a large measure the makeup of the Orchestra for the winter concert, the final list of members will be posted next Wednesday. The regularity of attendance at rehearsals will be considered in the final choice. The management wishes to impress the importance of attending the rehearsals at this stage, and failure to report may keep a man out of the winter concert.

Committee Announces That No Beer Can Be Served.

There has been a great many inquiries about the serving of beer at the Pops this coming Friday. The Entertainment Committee wishes to make the announcement that it is entirely unable to serve beer at the Pops on account of the strict license laws. The matter has been looked into, and it was found that there would be a heavy fine if the Union should attempt it, and we feel that the spirit of the Institute men is such that this fact will not keep the fellows from attending the entertainment. The refreshments will consist of cake, ice cream, and ginger ale, and will cost 15 cents an order. It is to be distinctly understood that admission to the entertainment and the only charge being for the refreshments.

**WIRELESS DUES.**

All the members of the Wireless Society who paid their dues at the last meeting can now obtain the receipts for the name by applying at the Cage. The shingles are not yet ready for distribution, but can be gotten in about a week from the treasurer, Mr. Flansburg.

**TECH SHOW POSTER.**

The competition for this year's tech show poster opens today. The poster is to be twenty inches by forty; it must bear the name of the play, "Casteles in Spain," and the words, "Tech Show," and a space should be left at the bottom for the signature and date of the performance. The drawing may be in two flat colors and in black and white.

G. E. Whitwell, Publicity Manager, will meet all men who are interested in the competition, in Room 11 of the Union, at 5 o'clock today and tomorrow. If any of the men are unable to get around at either of these hours, he is addressed to Mr. Whitwell and the Cage will reach him.

As in previous years, a prize of ten dollars will be given to the man who left at the Cage will reach him.
