All Prominent in Activities—

Nominating Committee, as the ballot.

editor of Technique, 1912, and was

tee last year. Kenneth' Cartwright

member of the Jdinior Prom Commit-

2

ment in the various activities of the

6; Richard P. Wallis, 1.

...The following men were nominated:

...Seniors have been announced by the

were closed and the names of twelve

...WINTER CONCERT, SEAT SALE, UNION

...In Huntington Hall, and it will be

...to do this

...m. to New York.

...The orchestra will work extra hard

...One of these rehearsals will be held today, Wednesday and Thursday, from 4.15 to 6 o'clock. The committee has found it necessary for the rehearsals that one not attending these rehearsals cannot play at the Winter Concert. The music is difficult and the proper rehearsal is essential. The pianist may point at.

...composed two concerts of piano pieces for the use of chairs is very unsatis-

...Mr. K. Rindge, Jr., as the speaker of the weekly meeting held in the Union on Thursday next. His subject will be "The Human Element in Industry," a subject discussed last year at one of the weekly meetings held in the Union, but not hear Convocation lectures as

...is to be thoroughly understood

...had been erected about 1877, and was of the steel hens type. The new one is of steel girders and a solid concrete floor, only two feet in width. Owing to the close-
