ON "Western Deposits" – This Evening in the Union — Refreshments.

An important meeting of the Mining Engineering Society will be held in the Union this evening at 8 o'clock, when Dr. Lindgren of the U. S. Geological Survey will give a talk on "Western Ore Deposits." Dr. Lindgren is at the head of the Department of Mineral Resources of the U. S. Geological Survey, and is the foremost authority in America on Economic Geology.

He has made great advances in the opening up of the mineral resources of the West, and his talk will undoubtedly be of the greatest interest to all. Dr. Lindgren stated in an interview that he would not stick closely to the subject, but that he would speak on various topics of geological interest.

The meeting is to be held in the Union, and at its close refreshments will be served. A general invitation has been sent out to everybody, and it is expected that a large number will be present who are not members of the society.

SHAVE WITH A SMILE
You Can't Get a Real Shave Without a Real Razor.

THE DURHAM DUPLEX
is a Real razor. It slides smoothly over the face severing the whiskers with the correct diagonal stroke like a scythe mows grass. It leaves the skin soft and velvety—not rough and harsh as after scraping with razors which do not have this stroke.

These Irish fleeces for that overcoat you should have! Light as a topcoat, and warm as the wool on the sheep's back. $4.50 and upwards.

Other choice fabrics, $25.00 and upwards. That old-fashioned winter will soon be here. Don't delay or you'll get caught.
