We wish to congratulate the Union House Committee in their enterprising action in placing hair brushes, hand brushes and shoe brushes in the wash room. They seem to be appreciated by the undergraduates, and many favorable comments have been heard since their addition. They are marked in such a way that even the lightest fingered women have a bit of hesitation in taking them away from their proper rental places. We hope that for the good of all concerned they will be allowed to remain in their places for a while at least, in order that a few can get a chance to try them out.

INTERCOLONIALS WIN.

Defeat Fast Montreal Team in Exciting Game.

Defeating the Stiris of Montreal in one of the fastest games of the season, by a score of three to one, the intercollegiates showed themselves to be one of the best all-round teams of the vicinity. The game was well played by both teams, but the home team had the advantage all through the game, and the Canadians had all the cheer as they tried to keep them from running up a higher score.

The ball of the intercollegiates was as fast as ever and made the best showing of the evening. Fritz and Smith also showed well for the intercollegiates. McIlrath of the Tech's shot the only goal they made and played the best game for his side. The interesting incident of the game was the blowing away of the referee's whistle. He seemed as pleased as a child with a "peony whistle." Three men were put out of the game at different times, first up.
