WINTER CONCERT GREAT SUCCESS

Vocal Quartette and Orchestra Receive Generous Applause.

Despite the inclemency of the weather, about four hundred turned out to the annual Winter Concert and dance of the Combined Musical Clubs. Conducted by the Orchestra, which was held Saturday evening in Cooley Hall. The concert was voted one of the best in years. The innovation of having the Orchestra render several numbers, as was done last year, proved to be very successful, and the selections were well given and enjoyed.

The Banjo Club made a big hit and the pieces were encored several times. The opening piece, given by the Orchestra, "The Magic Flute," proved to be the success of the evening and was given an encore. The arrangement of the program, the counting of Messrs. Robinson, Derwes, Swenson, and others must take a lot of credit for the big hit in "Under the Southern Moon," which they responded to the encore with. The numbers were heardly accompanied by the piano.

Immediately at the close of the concert program the floor was cleared and dancing was at once the order of the evening. Alternates waltzes and two steps were included in the social and numbers were heardly accompanied by the piano.

FIRST HOCKEY GAME.

Tech Will Face Crimson Team Thursday in Arena.

The hockey team will start Thursday with the first real game of the season against Harvard, which will be played in Cooleys. The two teams will be on the ice at 1.30 p.m. The contest is to be played under strict Hockey rules. The game will be started in the afternoon of Thursday and the first game will be played at 1.30 p.m.

The Tech team will be well represented by the boys who are members of the Harvard team and will be well prepared for the game. The Harvard team is considered to be one of the best in the country and will be a stiff test for the Tech team.

PROVISIONAL SCHEDULE OUT

FOR MID-YEAR EXAMINATIONS

Term Opens January 29th.

Below is published the provisional schedule of mid-year examinations that will be sent out to members of the Faculty for correction and additions. So far as is possible this is the schedule that will be presented to the students, but it is possible that some changes will occur in the next few days. It is therefore recommended that the students keep an eye on the exams in order to help the team as much as possible this is the schedule that the students are expected to follow.

SOPH BASKETBALL TEAM WINS SECOND GAME

Haverhill Defeated in Fast Game

SOPH BASKETBALL TEAM WINS SECOND GAME

Haverhill defeated in fast game last night the Sophomore basketball team defeated the strong Haverhill High five by the score of 52-18. It was a well-earned victory, and the Sophs showed good form at all times, and their passing was excellent after the first five minutes of play. They were hindered a little by the fact that they had to play with practice and the floor also had no bounces.

The Tech team played Haverhill five points at the end of the first half, while the Haverhill five hit back in the second half. The Tech team then took a lead, and six minutes before the end of the game they were in the lead. By some fast playing the 1914 men were able to cage two baskets and come out ahead. Every Soph, on the team came.

DEPARTMENT HEAD.

Frank E. Herrmann, '98, has been made head of the structural engineering department of the Stevens Institute of Technology. H. O. M. Herrmann has had considerable experience in the field, having been professor of that subject at the Peiyang University, Tientsin, China. Besides that he considered able to work on the construction of Chinese railways.

INSTITUTE REQUEST.

The will of W. K. Chamberlin, '77, who died last August, leaves him all his estate except $100, given to the Institute for use in the Architectural Department.

HOCKEY SQUAD PICKED.

The first official cut in the number of men on the hockey squad has been made by Captain Sloan. The following men will be retained: Collins, Elson, Fletcher, Hurlburt, Mcleod, Ransley, Rogers, Sloan, Stokker, Sterke, Whittlesey and Yancey. There is every reason to expect that with these men behind him, Captain Sloan will lead the team through a successful season. This is by no means a guarantee of the rest of the men with any unfair rules for the first cut. Instead, they should show up regularly in order to help the team as much as they can.
