IT WON'T LEAK

You should own a MOORE'S RESERVOIR It can be carried anywhere, anywhere, in pocket or hat, pocket book. It writes without shaking. When the cap is on, you can write in the dark, reading, resting, by the light of your pocket lamp. It will not leak in any position, continuously with an even flow of ink. It will carry any kind of ink, even Milagey's blacklogging ink, and ink any kind of pen. It is the simplest fountain pen to fill, with a single motion that will fill the cap and is ready to fill. It remains in the fountain pen shape of the most perfect, nothing to get out of order. It is a perfect instrument for thousands of uses. A 55-20 P. M. pen.

ONE PIECE HAMMER IN THE NEW MODEL Ithaca

If you are more than one inch below in appearance you are below perfection. In life, in work, in health, in all things that shape the life you lead, we are always a step ahead of you. Our hammer is made to size, not cut to size, all parts of the hammer are made to fit perfectly. Inventive, powerful, it cuts, hammers, knifes, and produces the finest workmanship. Every detail has been thoroughly planned and tested. Our hammer is one of the most attractive tools on the market. We are offering you a hammer as good as any other for the best price of any line. Prices: Carpenters, 200 pounds, $5.00; 500 pounds, $8.00; 1000 pounds, $12.00. We have 25,000 of these hammers in stock, ready for immediate shipment. We are offering you the finest hammer available. We have been making hammers for over twenty years. We are the leaders in the field of hammers.
