SOPHOMORES PICKED TO WIN CLASS MEET

Although the 1914 Men Will Get First Places, Freshmen Will Push Them.

While the Sophomores are depending on their good showing in the interclass meet to win the meet next Saturday, the Freshmen have been putting in some strenuous practice, and are sure to spring some surprises on the Sophs. The 1915 men have shown much more interest in track and already have a meet arranged with Lowell High at Lowell.

The Sophomores should win the meet in spite of the efforts of the lower classes. Withins and Wix are two sure winners in the dash, and the Freshmen will be lucky to get a third place. The first two places for the quarter-mile will also undoubtedly go to the Sophomores. Wilson and Underwood have shown themselves to be faster than any of the other men in this run.

Nye and Shedd are the fastest half-mile men in the Sophomore class, and Spencer is the only Freshman who can keep anywhere in their company; 1914 has a chance to get a third place, but Will may get some points in this run.

JUNIOR PICTURES.

First Order Ready For Delivery at Cage Next Monday.

The first installment of Junior pictures has been received, and will be ready for delivery at the Cage on Monday, the 5th, at which time there will be another order sent down to Minerva. The pictures are a lot of pictures. The picture is very good this year and makes a very valuable memento of the year, as being a reminder in the years to come of the student body of 1914.

There is still time to turn in those little snapshots of interesting man and incident around the State which have been collected during the year. They are much needed additions to the book, and will be gratefully accepted by Photograph Editor Freeman at any time.

PRACTICAL DISCUSSIONS.

Meetings Will Be Held to Suit Convenience of Men.

This term the "Practical Discussions" have been revived, and will be ready for delivery at the Cage on Monday, the 5th, at which time there will be another order sent down to Minerva. These books are to be used. The book is a reminder in the years to come of the student body of 1914.

There is still time to turn in those little snapshots of interesting man and incident around the State which have been collected during the year. They are much needed additions to the book, and will be gratefully accepted by Photograph Editor Freeman at any time.

ROBERT W. WEEKS IS BUSINESS MANAGER

Has Filled Many Positions in Institute Activities and in Prep School.

Robert W. Weeks, 1913, Business Manager of this year's Tech Show, is a native of Washington, D. C. He

1913 ARCHITECTS HAVE GOOD DINNER

Mr. Frank A. Borne, 1895, Told of European City Planning.

The architects of the Class of 1893 held one of the most enjoyable diners last evening in the Union that has been given since their graduation, nine years ago, and stated as the speaker, or a man who is eminently well fitted to talk much of interest and value to the young architect. After the dinner had been served the tables were removed and Mr. Frank A. Borne of the firm of McKim, Mead and Weeks, and was also a member of the

CATHOLICS TO HOLD DANCE AT SOMERSET

Arrangements Complete For Great Social Success to Be Held Monday.

The annual dance of the Catholic Club is to be held on next Monday's evening, February, and the committee in charge of the affair have been working diligently and assiduously for weeks in order that this dance should be one of the greatest social successes of the season. The committee have been fortunate in securing the ballroom of the Somerset Hotel for the affair, and everything looks to a great success.

Everyone who hopes to have invitations sent out should leave their names and addresses at the "Cage" by noon Saturday at the latest. The price of the ticket is $1.50, and everyone of the Club should consider it his duty to attend.

The dances this year promises to be a greater success than ever before. The committee have made all arrangements except sending out the invitations. A full account of these will appear in THE TECH some time this week.

NEW FEATURES AT UNION.

Fireplace to Be Lighted Every Noon in the Living Room.

The new Vielsota, which the Union is to receive through the kindness of B. M. Berliner, will be ready in about a week or ten days. The Friday night after its arrival all of the 50 records, which will be presented with it, will be played for the approval of the student body. The Victoria will be at the disposal of all societies which hold dinners in the Union, and it will be exchanged for a like number of records on the occasion demanded. Once in a while a week, the House Committee will play at noon in the dining room, as well as upstairs. It is possible that the privilege of using this machine will be extended to representative organizations frequently. The machine is one of the best types made, finished in mahogany oak and is one of the $300 models.

Another new feature in the Union will be that the fire will be lighted in the fireplace every noon. This will add greatly to the comfort of those who assemble there during the noon hours.
