SYRACUSE GRADS
DINE HOCKEY TEAM

Fine Support at Game—Cheering Section Dinner Given Later at Onondaga.

A fine example of Technology good fellowship was shown in the enthusiastic way in which the Alumni received the hockey team. Although they did not know until just before their arrival that the game was coming, they hustled around, and the effort was made by Secretary J. P. Barnes to arrange to entertain the team.

The grades turned out to the game and formed a lively cheering section, while Syracuse, playing at home, had the cheering section whatsoever. The graduates' encouragement surely aided the team a lot towards winning.

After the Syracuse University game, the hockey men were tendered a banquet in the student lounge, which was held in the student lounge, and their support by Secretary J. P. Barnes was arranged to entertain the team. The party continued in the student lounge until the time for the early train to West Point.

HOCKEY VICTORY FOR HARVAR.

St. Francis Xavier of Nova Scotia Defeated Yesterday by Score of 7 to 2.

The hockey game between Harvard and St. Francis Xavier of Anigonish, N. S., which took place last evening in the Arena, was an excellent one from every point of view, for the teams were fairly well matched, although Harvard's score of seven to St. Xavier's two would not seem to indicate it.

Both teams were in the best of form and played a hard, sportsmanlike game throughout the entire match, not showing the slightest inclination of fatigue until the last few minutes of play. The first half was by far the most interesting to the spectators, for the team work of both clubs was of the best, that of St. Xavier's exceeding Harvard's at several points in the game. In fact, during the first ten minutes Harvard seemed to be wholly outclassed by her opponents, who made their goals at this time. She soon recovered, however, and succeeded in meeting three goals during the half, while St. Xavier made two.

No special features marked the second half although both teams kept the excellent pace which they had taken at the start. During this half the play was pretty well scattered, Harvard making four goals within a very few minutes.

The goals were made by Huntington, Blackall and Duncan for Harvard in the first half, and by Fears and Beardon for St. Xavier. Harvard's four goals in the second half were made by Danion and Palmer.
