TUFTS PRESIDENT

TO SPEAK IN UNION

Big Crowd Expected by Association at 1:30 O’clock Today.

Today, at 1:30 o'clock, in the Union, President Frederick W. Hamilton of Tufts College will inaugurate the Technology Christian Association's second term series of meetings. He will speak to the men on the subject, "Your Reasonable Service." To the T.C.A., at least, it does seem anything but "unreasonable" to expect a record crowd in the Union tomorrow, because President Hamilton is well known about Boston as one of the busiest and most popular of the local speakers. As most of the men approached by the Association as tailors, the President was glad to have them as his guest and to speak to the large and the T.C.A. hopes that his expectations will not be disappointed by the appearance of only a small crowd to listen to him.

BASKETBALL TEAM

PLAY RHODE ISLAND

Mowry Will Be Unable to Be in the Game on Account of a Broken Nose.

The Varsity basketball team is putting in some extra hard work as to start the new term with a victory. Saturday night they will play the Rhode Island State College team at Kingston, Rhode Island. The team confidently expects to come out ahead in this contest and thus wipe out all their past defects. The Rhode Island five is said to be pretty fast, but Captain Bechar thinks that the team will make things rather interesting for them.

The Varsity will be somewhat handicapped by the loss of Mowry at the center. He broke his nose in the game with Union College last Saturday. Morse, a Freshman, will take his place and is a good man for the position. Bechar is still doing good work in the line of foul shooting. He is establishing a record in this respect, having missed only a couple of times. Schatz, the other forward with Bechar, gets in some fast floor work in addition to his excellent dribbling. The two backs, Friedman and McCarthy, are able to take care of anything on their part of the floor. The following men will take the trip Saturday: Bechar, Freedman, Schatz, Miss McCarthy and Morse. Another man will probably be taken along as substitute.

INTERCLASS TRACK MEET.

(Continued from Page 1.)

As the high jump will undoubtedly go to Eberhard, who placed in the indoor meet.

At this reckoning the Sophomores will get at least five of the six first places, and if they get half of the second places it will give them a total of 37 1/2, against the greatest possible number that the Freshmen can get, which is 29 1/4.

The pole vault is lacking for the Freshmen go into it will give them some chance to win, but this is not only very improbable, but also it will be doubtful if they would get a sufficient number of points in this event to upset the score of the Sophomores.

The latest crooked stunt that has been worked around the Institute is putting half-cents in the gum machines in the Union corridor. Some people are pretty hard up when they try to get two pieces of gum for a cent.
