Doping Gives Them Twenty More Points Than the Freshmen.

Nothing but a Sophomore victory appears possible in this year’s “shuffle” on the 1914-15 meet, which is to be held in the Gym this afternoon. The Sophomores have a large number of men who have shown remarkable ability in track work, and if these men show up anywhere near their ordinary form the officials, no doubt, will agree that they are showing off large a proportion of first places as it will be almost impossible for the “freshies” to overcome the advantage.

Within, practically a new man at the running game this year, has shown himself to be one of the best Indoor sprinters that the Institute has ever had, and the way in which he is developing, the officials of last year, will undoubtedly give the 1914 team the third place in this event. Within the fastest 100-yard man in the State, is almost a sure second, while the way in which he is doing well in practice, will make him a strong candidate. The men have practiced very consistently for the “freshies” to overcome. The men have practiced very consistently for the “freshies” to overcome.
