MUSICAL CLUBS' CONCERT AT MELROSE HIGHLANDS

First Public Concert of the Year Is a Pronounced Success.

The combined musical clubs gave a concert last night at the Congregational Church in Melrose Highlands, which was undoubtedly the best that has been given for some time. The large auditorium of the church was nearly filled, and that the selections were enjoyed and appreciated was shown by the enthusiastic applause which followed most of them. The novelty feature of the evening was rendered by a quintet composed of four mandolins and a bass viol, which gave an unusually good imitation of the Scotch bagpipes. This number was an impromptu one, given on the spur of the moment, and some of the members had practiced it more than ten or fifteen minutes. However, proved to be so good that it will be made a regular feature of the next two or three concerts.

The complete program was as follows:
1. The Song of the Cannibal...Scott Glue Club.
2. The Pink Lady Waltz.............Carral-Odell Mandolin Club.
4. Under the Southern Moonlight.............Allen Vocal Quartet.
5. (a) Butterfly Waltz. (b) Beet Song...........Androo.
6. Banjo Solo...........Selected Mr. Wells.
7. Winter Song.............Benedict Glee Club.
9. Vocal Solo...........Selected Mr. Robinson.
11. Tanta Nie Bar to Tech...Belkord Glee Club.

(Continued from Page 1, Col. 3.) It was voted not to accept the report of the committee appointed to investigate the practicability of abolishing all bulletin boards. They were instructed to look into the matter more than they had already done and report at the next meeting.
