VARIES BASKETBALL TEAM TO PLAY GREEN

The Strong Dartmouth Team Is Tied With Penn, in Inter-collegiate League.

The basketball game with Dartmouth at Hanover will be a rather easy game for the Green team, for they have a very strong team, being tied for the Inter-collegiate League leadership with Pennsylvania. They have won a majority of the games that they have played against the best teams of the East, while the weavers of the Cardinal and the Gray have as yet to win their first game.

Dartmouth has in the three veteran players, Hissom, Moon and Ogun, some very fast, strong players, who, together with Jones and Snow, the old Windrow High star, are capable of putting up a fine game.

Captain Rehr's men have been through the class of the "also-rans" through the season, and unless they can turn in a good deal of the same spirit and quality of work in the game between now and the end of the week, they have an almost certain chance of annexing another to their unbroken string of defeats. The men have worked hard all through the year, and the god of war has never perched on their shoulders after the game.
