FRESHMEN WIN MEET.

(Continued from Page 1.)

The Freshmen took the two first places in the sprint.
W. O'Brien put the two-spond shot 41 feet 91/2 inches, and Crowell pushed it 41 feet 23/4 inches. Cawley was third with 37 feet.

With only the relay to run the score was tied for first place after the Freshmen had only 25 points. The relay race, which counted nine points, was their only chance, and they met it after they had scored their best.

O’Brien started it off, running against Bailey, and led for a lap, but fell on the fourth corner and was passed by his man. He was on his feet in an instant and after the Lowvell runner. After making up a ten-yard loss, he touched off to Spaulding. Curtis, second, set out for all they were worth.

Curtis and Leggatt were put in an instant and after the Lowvell runner. Curtis led on Spaulding, and put a slight lead on Spaulding, and after making up a ten-yard loss, he touched off to Spaulding. Curtis, second, set out for all they were worth.
