HOCKEY TEAM PLAYS MASS. AGGIES TONIGHT

M. A. C. and Tech Won From Amherst by Same Score—Close Game Expected.

The hockey team will make another journey to Amherst Friday night, like those to play the fast M. A. C. team, who defeated Amherst Wednesday by a score of 3 to 0, and as the Tech seven only beat them by a score of 4 to 0, they anticipate having rather a close battle in order to win.

On account of the International skating race being held at the Arena this week, the team's practice hours have been broken into, but they are playing together well and should clean up the Aggies. The out-door rink is open to their disadvantage as they are used to playing indoors.

The teams will line up as follows:

AND A MORAL.

Just a reminder suggested by the above. One of the first things for a man to learn is to be a man. It is evident that there are some men in the Institute who are supposed to be taught about the many disagreeable things which occur out of place here. The security of the country, for which we have so much to do if we are to succeed in the mention, the reading of another's Tech, refusal to believe in our opinions, the extent it is to attend a game—all are these things that are the result of the education of man later to take important places in life. Brace up, fellows, and do your share.
