FIRST CALL FOR MEN—
SHOW MEN WANTED

Coach Sanger Will Meet Men at 4:30 in the Union Today.

This afternoon, at 4:30, the first grand opening of Tech Show will be held in the Union dining room. Set at that time all those who intend to try out for positions in the cast and chorus to attend. Coach Eugene Sanger and Stage Manager Peter O'Brian will give the first instructions concerning the Tech Show. If no man who intends to try out for the show should miss this first meeting.

A book lends itself admirably to modern staging. The first act opens with a bouquet scene in Seville, the scene filled with the merry throng always found in such a locality. With the exception of perhaps half a dozen characters, however, the personnel of the cast is not Spanish. It is an American and Spanish, various and typical group, representing a bright American girl, is an American manufacturer with a charming daughter. Naturally with a bouquet that contains an American girl and the innumerable Spanish señoritas who compose the greater part of the female division of the chorus, complications come thick and fast, and there is never an idle moment from the first act to the final curtain of its short length.

Every man who thinks that he has any talent that would make good for one of the principal male roles in 'The Gipsy Chorus' naughts for one who thinks that he is in a maestro Vinson who could get away with a part as a sprightly dancing girl should come to the meeting set for this afternoon, for a particular opportunity for the Froshmen.

Every man who thinks that he may be a major portion of the chorus is drawn from his room at once, for there is no reason why he should be the exception to the rule.

The Show this year is to make more trips than usual and will give two more performances than usual, and it is the most important of these is the performance on Thursday afternoon. On April 26, every loyal Tech man should feel it his duty to kill a few hours at that time as these two performances are in Providence and the usual tour is Boston.

At the meeting of Thursday, the entire program, was a walkaway for the Tech men as a high jumper when he took second place in the games held on April 15. Furthermore, the Tech men were the victors in the track team, again showed his prowess in the high jump, and also as first man in the relay race opened up a lead of forty yards, which remained all through the race.

The thirty-five yard dash was the first event on the program and was run off in six heats, two semi-finals, a heat for second men and the finals. All the heats were closely contested and the Medford High School showed the Tech youngsters some earing that they never expected. The best heat was that of Harris of Medford, who covered the distance in 4.30-seconds, a heat of score, and secured a place in the semi-finals, in which he defeated Harris in a heat of 4.30-seconds. Barry won the heat, for second place in the first heat and finished third. The time was very fast, 4.1-seconds.

In the 300-yard run O'Brien jumped from easily with a heat for second place, the final heat being run from Medford, with Harris the second man. O'Brien also ran a very good race but could not catch his teammate. The relay team again put a place but had to content with third.

Again the Tech men were the victors in the 1000-yard run, where Hill took the first place, followed by Harris of Medford, and Dock of Tech. Mitchell was the third man.

In the shot put O'Brien captured the medal with his teammate, and a point was the B-200 who finished in the order named. In the shot put O'Brien captured the medal with his teammate, and a point was the B-200 who finished in the order named.

The relay race, which came last on the program, was run off by the Freshmen. O'Brien, the first man to start for the Tech team, jumped in to the lead and gained on his man, Law.

WESLEYAN VICTORIOUS
Institute Team Easily Outclass in Lose Game.

Wesleyan Players vanquished the Georgia Tech players 11-7 in a college football game played between the two teams in Athens, Ga., last Saturday afternoon.

The game was one of the most exciting of the season, and a large crowd witnessed the contest. The Tech players were unable to make any headway against the Wesleyan defense, and the game was decided early in the second half.
