ANOTHER VICTORY FOR SOPHOMORES

Easily Win in Rough Game With Abington Y. M. C. A. On Saturday.

In a fast, roughly-played game at the North Abington Y. M. C. A. gym on Saturday, the Sophomores basketball team upheld the reputation which they have made this year by defeating their opponents by the one-sided score of 31 to 15. The Sophomores were somewhat handicapped at first as the floor was small and two baskets were placed quite high up, but they soon found their way and easily outplayed the Y. M. C. A. five.

Abington drew blood in the first few minutes of the game, but started of rather confiding of a victory, but the superior team work of the Sophomores soon began to tell, and at the end of the first half the score stood 26 to 11. In the second half of the game men had everything their own way during the second half in spite of the rough game that the Y. M. C. A. men put up.

The Soph's usual good team work was their strong point and greatly responsible for piling up the large score. This is their fifth game and they are responsible for piling up the large score.

The game Saturday was played with great heart and in spite of the rough game the Sophomores upheld the reputation which they have made during the season with and without the regulars on the team.

Rubber Game of Series Won By Crimson Team After Hard Struggle.

Harvard proved themselves rightfully chauvinists when they again pulled the wool over Yale's eyes and beat them in the third of their series of hockey games at the Arena Saturday, the score being 4 to 2. In the first of the series which was played at the Arena a week ago both teams played poorly, although the Harvard men did not have to arrive very hard. In the rink at Yale, where the second game was played, the Halls had it over them probably because of the poor lighting, as was the difficulty when the Tech team played at New Haven.

In the game Saturday both teams played well and some of the individual work was excellent. Sorrell, the captain Crimson player, again showed his ability and importance in puck handling and had the Blue men on the run all the time. Capt. Huntington, of Harvard, has been troubled with "charley horse" for some time, and was off color slightly but he managed to run in two goals and held his team strongly in hand all through the game. Art Hovey, who was captain of the Blue football team last year, brought some of the "seven minutes of Yale into the game, and it seems that this always brace up the Connecticut men.

The most interesting feature of the contest was the election of the new committee. The first two with the exception of Thos. Capt. Huntington got. It took over five minutes before the first goal was made, but it was only seven seconds later when Harvard scored and the score was 2 to 0 in their favor. Harvard made all points in the first half, and the Blue work of goal tender Gardner prevented the Yale men from making a goal at all. The game was adjourned to the cheese room, to the center of the hall. A straight line was then formed up the center line of the hall, and two benches made a goal, which formed a very pretty T.

The grand march started promptly at 3 o'clock, and the couples marshed to the band music to be presented to the matrons. Mrs. A. B. Rennie, Mrs. Harlan, Mrs. Elwood B. Spoon and Mrs. S. W. Selfridge, with Mr. H. R. Carpenher, then led the couples in with an easy figure more then, to the center of the hall, where several times, and every number was encored of the bands, and every number was encored.

Now the stant will be to reproduce the show on Victor records and we will have something very special for the occasion to remember a good show by. Also the poor ones.
