There are six main sections in the theatre: the orchestra, the loge, the dress circle, the balcony, the pit and the mezzanine. The orchestra is the most popular, offering the best acoustics and the best view of the stage. The loge and dress circle provide a good view of the stage, while the balcony and mezzanine offer a more distant view. The pit is the least expensive section, but the acoustics are not as good as in the other sections. The WEBSTER'S retail store is located at 301 Coburn St., Boston, MA 02111.
