It won't leak
MOORE'S
Fountain Pen
You should own a MOORE'S
BECAUSE
It can be refilled anywhere, in
public or at home, it can't leak.
It retains without shrinking. When
the end of a pen runs low in ink, it
removes cleanly and smoothly, in
less time than it takes to reach
for another. It writes continuously with an even flow
of ink.
It will carry any kind of ink, even Hig-
ger's India Drawing Ink, the heaviest ink
we know, the simplest boxes of pen to fill.
No letters to encumber, just pull off the cap
and you're ready to write.
It is made in the simplest manner of the
known, nothing to rust, nothing to break, nothing to
ever need the attention of manual care at any time
It is the best practical pen made.
