FRESHMAN BASEBALL

Meeting Today
Many Candidates Wished For—Sophomores Have Already Organized.

The Presidium held their first base-

ball meeting today at 1:30 in the Union. Manager Turner hopes to see a

good number attend this meeting so

that the club may get off to a quick start and then cut down as much as pos-

sible the advantage that the Sopho-

mores have gained by their earlier

start and greater experience.

The upper class has already held

its meeting, elected its captain and

published its schedule. They start

their season on Wednesday, March 26.
