ORCHESTRA WILL PLAY IN SPRING CONCERT

Sings Contract and Complies With Demands of Musical Clubs.

When the Manager of the Technology Orchestra signed the contract which is printed below, all points of disagreement between the Musical Clubs and the Orchestra were satisfactorily settled. The question as to whether the Orchestra would play in the Spring concert on April 17 has been a difficult one to decide, but the contract drawn up by the Manager of the Musical Clubs has brought the issue to a close.

The Institute Committee is in sympathy with the manner in which the problem has been settled. No mandates are made of the men who play upon the Orchestra with which the musicians on the Glee and Mandolin Clubs do not have to comply.
