THE PROPER DRESS.
We want your attention for a moment in regard to your clothes. Don't be a ready-made man. Have your individuality carried out in your clothes. Buy the very best quality of imported clothes for they are the best; take good care of them and they will outwear any two cheap suits. Order from a firm in which you have confidence, take their advice, and stick to them, thus making your patronage worth while to them.

Of course we would like your trade if you appreciate good clothes and are willing to pay a little more than is paid for the ordinary clothes. We started making custom clothes for particular men thirty years ago and have many of our original customers still with us. Think it over, as we are trying THE TECH to see if it is a good advertising medium.
