FINANCE COMMITTEE

DINNER TONIGHT

Members Guests of H. L. Coburn at Tech Club—New System Successful.

Mr. H. L. Coburn, '38, will give his annual dinner to the Finance Committee at the Tech Club tonight at 6 o'clock. This will be the last meeting of the year, and all business will be settled up. During the week the treasurers of the various societies have appeared before the committee, and have had their books audited, and reports have been most satisfactory.

The new system which has been introduced this year, of all organizations keeping a uniform style of books, has proved to be a good one. Besides being more convenient, the new books permit the treasurers to get a much better idea of the way in which the offices are doing, and makes it practically impossible for one of them to go far astray. The treasurers take pride in presenting a good set of books, and are careful not to make mistakes, therefore the new books present a very different appearance.

Mr. G. Marcy, '05, has been elected to the place of G. Perkins, '99, who has recently resigned.

COSMOPOLITAN CLUB

Meeting at Five Today For Nomination of Officers.

Today, at 5 o'clock, the Cosmopolitan Club will meet in the Union for the purpose of holding the annual meeting and conducting all the business for the year. S., has had the member nominated be eligible for election to take place at a later period. Arrangements are being made for the final formal meeting of the year, which will take place during the latter part of the year. At this meeting the election of officers will be held and business of importance will be transacted. All of the present arrange-ments have not yet been made, but they will be announced in the near future.

SPREETERS INJURED.

College sprinters seem to be particularly unfortunate this year in the matter of pulling tendons. Among the several who have already put out of the running for the season are Barns of Brown, Marshall of Penn, and Wilson of the Brown track. These men will be the solvents of the Brown team at Harvard on May 18, and will undoubtedly be able to break the records of the last few weeks. Captain Rudolf, Williams '14, has been favored to take the place of G. Perkins, '99, in the hurdles.
