PRECISION OF MEASUREMENTS.
At the request of a number of students who failed to hand in problems in Precision of Measurements at the assigned time, a second set of problems has been posted in Room 16, which if solved and handed in on or before Friday, May 14, will remove the mark of D (deficient) which will otherwise be returned with the final examination. The work is due on the term work and final examinations.

At 6 o'clock last Friday the Sophomore architects ended their first honest-to-goodness "esquisse esquisse." This sketch problem was an "En- trance to an Art Club," to be done in three days.
