BIOLOGICAL MEETING.

Election of Officers—Important Amendment Adopted.

The Biological Society held a meeting in the Pierce, Thursday afternoon, at which officers for the coming year were elected. The matter of changing the name of the society to the Biological or the Illoq Sanitary Society was brought up before the members. After a spirited discussion, which was with difficulty kept within the bounds of parliamentary procedure, a committee was appointed to look into the matter and report upon it at the next meeting.

An amendment to elect the officers for a term of one year, instead of a half year, as heretofore, was passed. Under this amendment the officers for the ensuing year are as follows: E. M. Tolman, '13, Course XI, President; H. N. Calver, '14, Course XI, Secretary-Treasurer; S. Schneider, '14, Course VII, Assistant Secretary-Treasurer. They took office immediately, and began their good work by collecting dues from all present.
