FOUR hundred attended the T. C. A. reception to the entering students in the Union last night. Professor Peck, president of the Class of 1913, delivered an instructive address on the activities of the Institute. The election of officers at the last field meeting was discussed. The formation of a committee for Sophomores for a position on the Managing Board of the paper, and a proposal for an opportunity for a competent man. The recent promotion of B. E. Burton was explained, and the details of the various activities, such as Athletics and the General Manager, were mentioned.

BUSINESS OPPORTUNITY.

Chance For Sophomores to Make Managing Board.

The General Manager of THE TECH will meet candidates for the position of Advertising Manager of the paper on October 2, at 1 o'clock. All present will be the line and all Sophomores, the committee having decided that when the elections of the successful men will accept. Previous experience in some kind will be material aid to the candidate, but it is not necessary to have had experience in obtaining advertisement for the paper. Since the election will depend solely on the work accomplished, every Sophomore has an equal opportunity at the post.

GOLDFERG MEET MONDAY.

Men Interested in the Sport Will Assemble in Rogers 21.

President Howlett of the Institute Golf Club called a meeting for all men interested in the sport on Monday, October 1, at 10 o'clock. In the meeting the months that the season will be held will be announced. Various men of importance are to be brought before the members, among which are the formation of a team to compete with outside opponents and the selecting of the suitable course. It is greatly hoped that other trophies will be forthcoming from this Association in the year at issue, if possible, one for each match.

FRESHMEN PLAY SOMERVILLE TODAY.

At 3 o'clock this afternoon, the Sophomore football team will play Strong against Somerville Squard at 3 o'clock. Five points will be awarded to the winning team, 3 to the second man, and the third will receive no points.

FRESHMAN MEETING.

Constitution Is Adopted—Men Wanted For Teams.

At a meeting yesterday afternoon, a group of men interested in Athletics at the Institute met. The constitution was read and adopted, and the new personnel of the track team was announced. All men interested are to come out for athletics. Paying freshmen took part in the meeting, and a general call was issued for more in the three big events—field, track, and football. The team is especially weak in football, and it is feared that it may not make a mark against the strong teams in the big events.

COSMOPOLITAN CLUB.

Plans to Be Made For Coming Year Monday Afternoon.

Monday afternoon at 3 o'clock, the officers and Executive Committee of the Cosmopolitan Club held their first meeting of the year in the Union. It is proposed to determine a schedule for the coming year, and to make plans for a meeting this month. The club has a reputation for having unusually successful socials, and this year will probably show no lessening of this reputation.

MAIL MATTER AT CAGE.

As is usual at the beginning of the school year, it is reported that students are neglecting to call at the Cage for mail. This has resulted in the accumulation of a considerable amount of mail matter, some of which soon becomes difficult, causing many delays to students in line. It is requested that all men who are obliged to wait while the attendant wades through sixty or seventy letters, those in the Cage request that it be stated to everyone that the confusion and delay will be in large measure eliminated.

THE WEATHER.

FAIR. Processes for Boston and vicinity: sunny fair; moderate westerly winds.
