PROSPECTS ARE GOOD FOR MUSICAL CLUBS

May Have Trip at Mid-Year—Chances Good For New Men.

Excellent prospects for this year's musical groups were developed at the meeting yesterday. About fifty men came out, practically all of them being new candidates. This means that when the old members come out at the trials, the number of men will be greatly in excess of the usual. The competition, however, need not console anyone from coming out. The membership of the club is to be enlarged from forty-five to about seventy-five, making the opportunities for new members greater than ever.

At the meeting yesterday the leaders of the various clubs gave short talks, and the general manager reviewed the prospects for the year. It was mentioned, among other things, that a trip for the clubs at mid-year is not unlikely, though this is as yet unconfirmed.

The management wants all men, old and new, to participate and come out for the trials, the Vamp Club today and the Tiffany Thursday. The time of the Glee Club trials cannot be announced for a few days, as arrangements with the coach are not yet completed.

Incidentally, the clubs are in need of new members. The management would be glad to see anyone from coming out, as the club is at all gifted in that line.

INSTITUTE COMMITTEE.

(Continued from Page 1, Col. 3.)

were a Single Tax, a Tag Day, a National Entertainments by the Com- montropolitan Club, and a Minstrel Show.

The meeting decided to leave the matter to a committee of three, who are to report at the next meeting on the best method for raising money for the Athletic Association. The members of this committee are: E. W. Brewster, 1913, chairman; E. H. Germain, 1913, and H. A. Babcock.

A motion was passed that a committee of three be appointed to look into the matter of adopting uniform minute books for institute activities, and that this committee call a meeting of all secretaries of activities for this purpose. The chairman of this committee is J. J. Slocum, 1912, and his associates are: L. F. Hamilton, 1914, and R. C. Thompson.

The chairman of the committee in charge of "Concerning M. I. T." reported that the book would probably be ready within a week.

CROSS-COUNTRY.

(Continued from Page 1, Col. 3.)

off at 11 o'clock. This latter race will be open to all high schools in New England, and several have already signified their intention to enter. These are: Peabody, Lawrence, Mechanic Arts and Commerce High Schools of Boston, Technical and Hope Street High of Providence, and Malden, Medford and Woburn High Schools.

TECH SHOW MEETING.

Mr. Carb Will Address Students About to Write Show Books.

This afternoon, at 4 o'clock, in the Show office, Mr. David Carb, of the Exhibit Department of Technology, will give a talk to the men desirous of writing a book for the Tech Show. Mr. Carb, who is himself an amateur playwright, will give the ambition of the group the advice based on first-class knowledge. In his agreement to help the Tech Show all that he can, this is the first public expression of his interest in the Show.
