GOOD TRACK MATERIAL
IN FRESHMAN CLASS

Twenty-eight Men Report For Relay Work—Good Pole Vaulters, Too.

The freshmen have been particularly responsive to the call of Coach Kanaly for track men, twenty-eight having come out for the relay work. A large number of them are men who have never run before, and among this number are some who are showing up well. This fact should be an incentive to men who are not interested to come out for track work because they have had no previous experience.

Several men are giving valuable assistance in cross-country work. C. T. Guesting is showing up strong in this line. He shows steady improvement, and the chances are that he will make the team. Quite a number of men are working with the weights, among them Hawley seems to be showing the most. L. A. Affel, captain of last year’s sophomore team, coached the men, and was assisted by C. P. White, manager of the 1914 tug-of-war.

The following men reported for practice: MacRae, Fletcher, Currier, Pepper, Connolly, Beatty, Block, Good, Dewson, Chapman, Garin, Snooking, Silly, Bonapart, Darvis, Palmer, Currie, Hean, Town end, Hustle, Ellis and Bennett.

Practice is held every day at the Gym at 4 o’clock except Saturdays.

COLLEGE NOTES.

The Athletic Board of Brown has voted that there will be no freshman football team because of the previous consistent failures of the classes in making good in that direction.

The need of a football team has been protested in certain buildings at the University of Kansas, because through the carelessness of students the floors were being ruined with ink.

The University of Michigan has made a change in the system of marking. Henceforth, only two grades are given—passing and failing. Now a system of grades showing different qualities of work is to be inaugurated.

A cyclone recently wiped out the many of Furacre. The loss is estimated at $8000 and includes the entire loss of the boat house, seven shells, six other boats and about seventy-five suits belonging to the men.

Sixty-one men, the largest cross-country squad in the history of Harvard, reported for fall practice.
