ELECTRICALS HOLD FIRST MEETING

Professors Adams and Pendar Spoke at Yesterday's Dinner.

Last night the Union was the scene of the first meeting of the Electrical Engineering Society. The fifty men present first held a business meeting, at which 35 men were elected to membership. After the plans for the coming year had been told, the first speaker, Professor C. A. Adams, was announced. Prof. Adams is here taking Prof. Jackson's place. He spoke on the opportunities for engineers, and compared the engineering profession in general to the military. He said: "A doctor buries his mistakes, while an engineer is buried by his mistakes." His talk throughout was clear and full of ideas of chances ahead of his men. "A doctor buries his mistakes." His talk throughout was live and up to date, and gave the men ideas of chances ahead of them.

After he had finished the members of the society elected him as an honorary member. Another point mentioned in the Electrical Engineering Department. It was mentioned that the committee on vehicles, traffic conditions at freight terminals, and the solution of the problem of the connecting of a high-voltage transmission line at the New Site.

The men who have already signified their intention of coming to speak before the society are all prominent in the electrical world. Mr. Murray, on the New York, New Haven and Hartford (Continued on Page 2.)

SOPHS PLAY RINDEE

Third Game Will Be Played at Field This Afternoon.

The Sophomore football team will meet the third string Rindge Tech School eleven at the Field today in its first game of the season. The Sophomores have been showing up for practice strong and seem to be getting along well.

The Technical School men have been showing up pretty strong in the past and it is certain that the Sophomores will be up to the task. Most of the men on the squad will be given the right to a tryout by the coach, Scully, and this game will go a long way towards deciding a permanent lineup.

The following men will probably start this game:

- Scoreboard: center; Quirk, left guard; Starkey, right guard; Howells, left tackle; Proctor, right tackle, while the end positions are uncertain. Howells and Powell are first choice for the ends but may not start the game. The Tech School field will play; Scully, masterback; O'Reilly, halfback; H. F. Smith, left end, and Heald, full back. Withing has a chance of starting the game in the line, as he has been showing up well at practice.

BIG WILSON RALLY IN UNION TODAY

Sherman L. Whipple of Boston to Address Students On Current Topic.

At 1:30 P. M., on Monday, the Woodrow Wilson Club of the Institute will hold a mass meeting in the Union, to which every one in Technology is invited to come. This is to be one of the biggest meetings of the club before the debate with the Progressive Club at the end of the week, and it is expected that an enthusiastic rally will take place.

The Woodrow Wilson Club will have as the important speaker of the meeting Mr. Sherman L. Whipple of Boston. Mr. Whipple has practiced law in New Haven since 1895, and for the last ten years has been a member of the noted firm of Whipple, Scudder, Ogden. He has also acted as legal advisor to Governor Foss during the latter's administrations. Mr. Whipple is a member of the New Haven Bar Association, and also of the American, Massachusetts and Yale Clubs.

Mr. Whipple received the degree of LL. B. from Yale in 1886, and the degree of LL. B. in 1884. A college man in England, and of the American, Massachusetts, and Yale Clubs.

Mr. Whipple received the degree of LL. B. from Yale in 1886, and the degree of LL. B. in 1884. A college man in England, and of the American, Massachusetts, and Yale Clubs.

The Progressive Club of M. I. T. has issued a call for twenty volunteers to work for the Progressive Party in Beverly on election day. A candidate for the Legislature had his nomination papers all signed, ready to file, and the night before the election he left for Milton, his papers having been stolen from his house. The only way for the candidates to vote was to use stickers.

A group of the people are confident that they can elect their man if they can find twenty men to give out the stickers at the polls all day. Men who are willing to help in this work are requested to give their names and addresses to Mr. H. B. Willard, president of the Progressive Club, or some other officer, or leave a note at the Cage.

Many of the people who are concerned in the event. The outcome is expected to be the races of the day, as in these races only the Freshman, Laura- Wilson Club will have as the important speaker of the meeting Mr. Sherman L. Whipple of Boston.
