FIRST ROUND OF TENNIS TOURNAMENT

Only About Half the Matches Played Off in Singles to Date.

Owing to the bad weather the latter part of last week, only about half of the matches scheduled for the first round of the singles in the tennis tournament and one match in the doubles were played off, instead of defaulting the men who did not play, as originally planned, President Beede of the Tennis Club will announce in tomorrow's issue of THE TECH and post on the bulletin board the date at which these matches must positively be played off.

K. W. Roy, the vice-president of the club, from his showing to date, promises to make the best showing in the upper half of the matches. Another strong contender is G. W. Blakeley, who has won two of his matches easily. The only close match played so far was between H. R. Stewart and F. Hurlburt. Stewart lost the first set, 6-7, but won the second one easily by the score of 6-2. He won out in the third set by winning eight games to Hurlburt's six.

The following are the results of matches played to date:

Doubles, first round: K. W. Roy, '15, and Fay, '14, defeated H. R. Sweet, '13, and W. C. Tarryrell, '16, 6-4, 7-5. The third round of the singles and second round of the doubles were originally scheduled to be played off by November 1, but the date will probably be changed.
