ONLY FEW CANDIDATES

Promises to be a Great Success—Name of 1913 TECH Show to Be Announced.

The Kommers' dinner, an annual custom, will be given each fall by the TECH Show, will be held in the dining room of the TECH on Saturday evening of this week, Nov. 22. As one of the largest undergraduate dinners given during the year, it will attract the attention of the entire student body, as neither in the Union. Through the TECH show management that a record crowd be in attendance, this year.

In the latter, about one hundred and fifty men have been present, and each and every one has left the Union satisfied that he has had an un-
