COSMOPOLITAN DANCE
AT HOTEL TUILERIES

Dance to be Held Tomorrow Night—Many Foreigners Get Invitations.

Tomorrow evening the Cosmopolitan Club gives its annual dance, which takes place this year at the Hotel Tuileries. Numerous invitations have been sent to well known outside foreigners, and though some have been refused to the foreigners who are members of the Institute, these men are just as cordially invited.

The club's efforts have centered every effort to make the affair not only a success but a greater success than in the case of previous ones. Very elaborate decorations have been put up in addition to many novel features in the way of music, cards, and dances.

For those who do not chance the opportunity of attending the dance, it is hoped that they will not fail to come and enjoy the music and dancing without charge.

The members of the Institute who are not members of the club are also invited, and the committee has provided for the accommodations of all who are interested.

CHINESE STUDENTS FORM BIBLE CLASS

At Meeting Wednesday Professor Peabody Consigned to Act Leader.

Yesterday, at 2.15, in the Union, a meeting of the Chinese students in this city was called to order by the secretary of the Association explaining that it was the hope of the T. C. A. to find some way in which it might be of service to the students from foreign countries.

The secretary of the T. C. A. pro- ceded to introduce the meeting and invited the man present to form a Bible class for the study of the Bible in the Chinese language. A vote of thanks was passed for the earnestness with which the Bible class is organized.

The members of the class have been invited to form such a group as shall be organized in the future.

TECH SHOW ORCHESTRA.

Rehearsal Today at Copley Hall Instead of In Union.

The rehearsal of the Tech Show Orchestra, which was to be held in Union Hall on Tuesday, has been changed to Copley Hall. It was felt that the orchestra would be better prepared for the evening performance, which is to be held in the Union on Wednesday night, by rehearsing in a better hall.

Several weeks ago the Tech Show Orchestra announced that it was to give a concert in the Union on Wednesday night. However, the committee decided to change the place of performance to Copley Hall, as it was felt that the orchestra would be better prepared for the evening performance.

GRADUATE STUDENTS.

Send Many Men Here.

The advance notice for the new collection of the Institute, which will be issued in a week's time, shows an increase in the number of students interested in the different subjects. The Institute is now sending many men to Harvard, and it is hoped that a large number of students will attend the union on Wednesday night.
