BASKETBALL TEAM HOLDS FIRST PRACTICE

Only a Dozen Men Report For 1913 Team Practice Wednesday.

The first call for candidates for the 1913 basketball team was answered by a group of seventeen afternoon last Thursday morning, which was a fairly good showing considering the following day was a holiday. All but three of last year's team are out this year, but this fact should not prevent anyone who knows only a little about basketball from coming out. Owing to the absence of Manager Locy, nothing definite was accomplished. A scrub game was finally started, which showed every indication of a fast squad. Locy will not be able to participate in the coming season, owing to illness, but will be on hand every Wednesday at 4 P.M., and Friday at 8 P.M., to put the squad through work. The following men reported: E. T. McIlrath, E. H. Norman, J. M. Daily, and E. H. Newell.

START YOUR TECH YEAR RIGHT.

Your equipment for the year is not complete unless it includes the Oliver Typewriter, Model Number Five.

Regardless of the work you may take up after you leave Technology, the Oliver Typewriter will be a necessity. Why not take advantage of the opportunity to get the Oliver while you are studying? It is cheaper to do your own typewriting than to hire a stenographer.

You can RENT the Number Five Model Oliver at the rate of $5.00 per month and when you have paid twenty consecutive months' rental, the Oliver will be presented to you without further expense.
