Section 4. After the acceptance by the student body of the election of representatives on the Committee for the next term, the Committee, the election of representatives on the Committee for the next term, shall appoint, from the Committee at large, the President of the Institute Committee. All other officers of the Committee shall be chosen annually by the Committee by written ballot.

Section 5. The Institute Committee shall consist of a President, one Vice-President, one Secretary, Treasurer, and five members elected from the Committee at large, and shall constitute an Executive Committee.

Section 6. The Institute Committee shall have the power to make by-laws as may be deemed necessary, and not inconsistent with the provisions of this Constitution and its amendment.

Amendments.

Article VI.

Amendments to this Constitution may be recommended by the Institute Committee and adopted by a petition of one hundred (100) members of the Association. Any amendments so recommended shall be submitted by the Institute Committee to the entire student body for consideration and adoption. Full notice shall be given of such proposed amendments, which shall be submitted to the entire student body for consideration by publication or posting at least thirty (30) days before the date set for voting; provided, that the votes cast shall be necessary to adopt the proposed amendment, provided twenty-five (25) percent of the total membership vote.

TECH HOCKEY TEAM WINS SECOND GAME

Again victorious over the Past Pilgrim A. A. Seven at the Arena.

Technology again defeated the Pilgrim A. A. hockey team Saturday night by the score of 4 to 3. Though both teams showed an improvement over the first game in the matter of teamwork, there was still a little bit of development in that line. In the second quarter there was no score made, the playing being rather slow, because neither team could get in any effective team work.

Tech started the second quarter with a rush, and in a little less than a minute Stockton scored the first goal of the game. Later in the quarter Stockton, by clever dribbling and a pretty shot, scored another point for Tech. After an interval of two minutes Fynan, the fast rover of the Pilgrim A. A. made the first tally for his team.

In the third quarter Harburt received a pass from Fiechter in front of the goal and shot the puck down the line. Merritt, the fast rover of the Pilgrim A. A., made the first tally for his team.

In the fourth quarter Harburt received a pass from Fiechter in front of the goal and shot the puck down the line. Merritt, the fast rover of the Pilgrim A. A., made the first tally for his team.

Captain Ranney moved his team from defeat to victory in the last quarter by wonderful goal tending. Fynan, however, managed to cap the puck twice more, making the final score 4 to 3.

The lineup was as follows:

Technology: Pilgrim A. A.

Brown, t. — E. P. Howland
Fry, c. — R. F. Berry
Moore, c. — E. F. Mahdy & Company

Storke, l. w. — J. W. Liberty
Fiechter, c. — E. F. Mahdy & Company
Stucklen, c. p. — E. F. Mahdy & Company

Basketball Team Defeats Revere
H. S., 16 to 14

Saturday night, at Revere, the Tech varsity basketball team defeated the Revere High School by the score of 16 to 14. The game was close and exacting, a period of scoring and counter scoring, an overtime being necessary to decide the game.
