ARCHITECTS TO HOLD MEETING TOMORROW

Applications for Admission to Federation to Be Considered.

Tuesday, at 5 P. M., the Architectural Society will meet to vote on the application of the University of Mich-

i

ing and the Carnegie Technical School for membership in the Inter-
collegiate Architectural Federation. This society is composed of the mem-

ber

ers of the Architectural Societies of the Institute, Cornell, Columbia, Har-

vard and the University of Pennsylvania.

A smoker will be held in the near

courts by the architectural Society, which is planned to eclipse all former

an

of the society. An attempt will be made to secure Mr. E. W. Wil-

luma, W., and Mr. Cox, a local archi-

tect, as speakers. It is probable that

secondly returned from Rome, where he has been studying, and could give

a very interesting talk on the archi-
tectural conditions abroad.

All the resident members of the society will be invited and every effort

will be taken by the club to make the smoker a great success.

CLASS HISTORIES.

Three Freshmen, 1 Sophomore

Received—Others Promised.

Up to yesterday only a few candi-
dates had been received by Class His-
tory Editor Stone of the Technique.

These have been three Freshman

histories and one Sophomore re-
ceived; and two Junior and three

Senior histories have been promised

to the editor and will be received

as soon as possible. The histories

should be typed, be kept in the office

for a week and be available for

examination.

REV. GIFFORD TO SPEAK.

Tech men will again have the oppor-

tunity of hearing Rev. O. T. Gifford,

Dr. Cleveland Floyd, a prominent

establisment. This will be a true

German affair in true German style.

Another big feature of the evening

will be an address after the dinner by

Mr. Floyd will illustrate his talk with

his apparatus.

The party will leave the Back Bay

station on the 4.00 P. M. train.

Twenty-five Australian athletes, com-

prising one of the strongest rug-

by teams that the American com-

petition has ever faced, will meet Par-

k College university teams during the

next five weeks.

THE WEATHER.

Forecast for Boston and vicinity:
	Fair today; colder this afternoon or

noon at Huntington Hall.

4.00—Rifle Practice—First Corps

Armory.

MEET IN SHOW OFFICE ON

Sunday, December 10th, at 4 P. M.

MEMORIAL CALENDAR.

A Memorial Calendar, 1913, in honor

of the late Mrs. Ellen H. Richards,

who entered the competition by the

submissions of the American College

was presented to the society at a meet-

ing held last Saturday evening, at the

Jefferson Laboratory, Harvard.

The committee in charge of the calen-

dar under the presidency of Mr. Pickard

and the Carnegie Technica-

Yeas to the study of beer making, one

of the most important of the biol-

cal processes. After a thorough sur-

vey and inspection of the intricacies of

the brewery, have been making the

largest event of all will take place—a

sober dinner in the private dining

room owned by the proprietor of the

establishment. This will be a true

German affair in true German style.

It is further announced that there

will be no charge other than that of

transportation to the members. This

need not alarm Courses 5, 7 and 9,

who had planned to go, as mem-

bership to the society may be secured

by payment of the invitation fee of 50

cents.

Another big feature of the evening

will be an address after the dinner by
