THE ADVANTAGES WE OFFER

PROGRESSIVE methods, resources in excess of $300,000, and two conveniently located, thoroughly modern bank buildings, combine to make the Old Colony Trust Company the most desirable depository in New England for both working and savings accounts.

Interest-bearing accounts subject to check may be opened either at Court Street or Temple Place, and the two offices used interchangeably for the transaction of your banking business.

THE TECH, BOSTON, MASS. DECEMBER 18, 1912

AMERICAN CHEMICAL SOCIETY

To Hold Joint Meeting With

American Society of Mechanical Engineers.

THE THORIUM, BOSTON, MASS., DECEMBER 18, 1912

WEDNESDAY, DECEMBER 18, 1912

LET US ALL ENTER INTO THE SPIRIT OF "WAS IST LOS" WITH A HAPPY FEELING OF LOYALTY WHICH EXISTS IN EVERY TECHNOLOGY MAN.

We know that it is in a good cause, and that we can help that cause by attending the entertainment, which will be worth much more than the actual money cost of a ticket. Let us rise to this occasion with our whole support.

ELECTRIC WAITERS.

An apparatus for the use of hotels and restaurants has been brought out in Wellington, New Zealand, which presents several novelties. At each table in the dining room there is a wooden frame containing the menu, and opposite the name of each dish there is a push-button. When a guest has had his choice the appropriate push-button, which causes the number of the table and the number of the chosen dishes to appear on the menu in the kitchen upon an annunciator. The presence of a bell also calls the attention of the cook to this order. Another control in the printer at the same time makes a record of the order and a statement of the charge, which is returned to the waiter when the dish is ready for serving. The remainder of service is performed by the waiter in the customary way.

MASONs FOR CLUB.

Committee Appointed to Draw Up Constitution and Laws.

A successful meeting of 16 Masons was held last night in the Union, at which a more permanent organization was laid. T. H. Haines and A. L. Davis were appointed to draw up a form of constitution and by-laws to present at the next meeting. Professor Frank Vogel, A. E. Emmons, and L. L. Carter, were appointed to draw up a form of constitution and by-laws to present at the next meeting.

The members gathered for refreshments after the business meeting. It was decided to hold a dinner in the Union January 14, at which the future organization will be considered.
