**Write Ideas for Moving Picture Plays**

You can Write Photo Plays and Earn $25 or More Weekly

We Will Show You How!

If you have ideas—if you can think—we will show you the secrets of this fascinating new profession. Positively no experience or literary excellence necessary. No "flower language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever-increasing demand. They are offering $100 and more, for single scenarios, or written ideas.

We have received many letters from the film manufacturers, such as Vitagraph, Edison, Essanay, Lubin, Solax, IMP, Rex, Reliance, Champion, Comet, Melfies, etc., urging us to send photoplays to them. We want more writers and we gladly teach you the secrets of success.

We are selling photoplays written by people who "never before" wrote a line for publication.

You will earn $100 monthly for spare time work.

**Free** Send your name and address at once for free copy of our illustrated book, "Moving Picture Playwriting."

Don't hesitate. Don't argue. Write now and learn what this new profession may mean for you and your future.
