FOURTEEN A. A. A. MEETING.

Many Changes in Athletic Events Are Discussed.

At the recent meeting of the N. E. I. C. A. A. executive Committee, at which M. I. T. was represented by Maj. Birge, H. S. Benson and M. I. Waterman, several important changes in the constitution and laws were discussed, and it was decided to recommend these to be passed on at the annual meeting of the association, which comes on February 8.

One of the important changes which was discussed was that of substituting the javelin for the hammer throw. It was decided to retain the hammer throw however until some action had been taken by the I. C. A. A. A. on this question. If this association should decide to substitute the javelin a similar change would probably be made by the N. E. I. C. A. A. There was also some talk of holding the running hop, step and jump a pentathlon. It was urged that there were enough field events now and that it would be wise, if any change were made, to cut out some of the present events and substitute ones that would take less time.

We Will Show You How!

If you have ideas—yes, you can think—we will show you the secrets of this fascinating new profession. Positively no experience or literary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever increasing demand. They are offering $100, and more, for single scenarios, or written ideas.

We have received many letters from the film manufacturers, such as VITAGRAPH, EDISON, ESSEX, LUBIN, SOLAX, IMP, Klix, RELIANCE, CHAMPION, COLUMBIA, ETC., urging us to send photoplays to them. We want more writers and we'll gladly teach you the secrets of success.

We are selling photoplays written by people who "never before wrote a line for publication."

YOU WILL EARN $100 MONTHLY FOR SPARE TIME WORK.
