BISHOP THOMAS WILL SPEAK ON WYOMING

T. C. A. Speaker Will Address Men at 1:30 P.M. in the Union Today.

An unusually large crowd is expected to attend the special T. C. A. meeting today at 1:30 o'clock in the Union. The speaker is the Right Reverend National Seely Hamlin, Seward, Nebraska, Bishop of the Diocese of Wyoming. He hopes to have "The Last of the Frontier".

In these days of outdoor life, where nearly every civilized man is fond of camping, canoeing, shooting, hunting, or some other strenuous form of exercise in the open air, young men are few and far between who are not attracted by the tales of experience of a man who has lived at a strenuous pace. Bishop Thomas' everyday life and work are made up in a large part, of the very things which make up a part of the young man's summer vacation, except, perhaps, the canoeing, for as Wyoming is not well provided with canoeing, fishing, hunting, and the like, does not lend itself to those activities. These are common.

In addition to the above features, Dr. Thomas' work is of especial interest to Technology men, for there is hardly a student in the Institute who is not attracted by the story of the ex-miner, who has never encountered anything of his great undeveloped welfare work find a place in the program. Some of the music handed in by the Freshman being a stride ahead.

CHARLES PARKER FISKE,
Stage Manager.

Music Competition for Show Decided

Nine Men Composed the Winning Music—Several Lyrics Have Music.

The music competition for Tech, Show, 1913, closed Saturday afternoon, having been the most successful one in recent years. Out of thirty-two men who applied for lyrica-twenty-five appeared in the Union during the competition. At 3 P.M. the music assembled and started to play their compositions. The majority of the pieces were very good, and Coach Sanger seemed highly pleased with the results.

HANDICAP ATHLETIC MEET INTERESTING

Huff Wins Two Events—Twenty and Ten Lap Races Very Exciting.

On Saturday afternoon, in the gym, was held a very successful and interesting athletic meet. The events were fewer than in the previous meet, but as the majority of the best men entered the standard events, the events was as high as before. Coach Cassley again followed the policy of doing very large handicaps, and the winners were won who competed to exert themselves to the utmost. The times made were very good, and show the results of the work which the men had been doing since vacation.

The crowded condition of the track in the long runs was the cause of the usual unfortunate, although entirely accidental, occurrence. In endeavoring to pass a man some of the competitors were forced out of the limits of the course and the result of the race accidentally affected. This was the case in the ten-lap race, after which Coach Cassley announced that all running in the meet of the evening was to be disqualified.

The ten lap race on the program was the 30-yard dash, which was run in ten heats and in heats. All were closely contested, but the second heat had the men who entered in the program. The men who entered in the program, the first man was on scratch, and the last heat the men who entered in the program. The men who entered in the program, the first man was nearly a full second behind a Freshman. In the ten-lap race a Freshman, Graf, obtained a lead of about 40 yards on the next man, but weakened in the last five laps and only finished third. Benson, who was on scratch, took a steady pace at the start, and maintained it, with occasional spurt, till the last two laps. At that time he and Lee were in the lead. Lee being a yard behind, and at this point the Freshman began to close up the gap, and the last heat was a very pretty race between him and Benson. The Freshman being a stride ahead, and at this point Lee seemed to be the leading man, and two, and would probably have passed the Freshman and won if the track had been wider and less crowded. However, he was unable to get by, and Benson won by a scant foot.

There were only two entrants in the hurdle race, and Huff was easily the winner. Huff also showed speed in the fire-lap race, and was again the winner. Cassley and Huff both had a close fight for second place, the latter getting it.

The ten-lap race was very close between Hobson and Dean, although the latter almost to be a winner.

JUNIORS DEFEATED BY STATE COLLEGE TEAM

Basketball Team Loses to Fast New Hampshire State Team.

Score 55-23.

The Junior basketball team journeyed to Durham, N. H. Saturday evening, and there met defeat at the hands of the fast New Hampshire State College team. The final score was 55 to 23.

The Juniors did not show much speed and were completely outclassed at all stages of the game. None of them and then started for New Hampshire, while Williams put up a fine score for the Juniors. The New Hampshire team were right in the game from the beginning, and quickly piled up a large score. After this they were never in danger, although the 1914 team put up a good fight. The score at the end of the first period was: New Hampshire State 33, Tech Juniors 14.

During the second period the New Hampshire team was made up largely of authorities, and consequently the Juniors were not likely to spend at least a few minutes of their game. When the Juniors, the Juniors were unable to do any better and the final score was: New Hampshire State 55, Tech Juniors 23.

The sports: New Hampshire Tech. Juniors, Russell, Watson, r. b. P. B. Bryant, Bryant Jones, Lindquist, 1. b. ... Williams Sanborn, Sellers, c. o. Pox, Rawt, Adams, S. Sanborn, r. b. ... T. Frerrell Thompson, F. Connors Summey—Goals from Jones: Jones, R. B. Williams; Williams; Sanborn, Thompson, 2. Lindquist. 2. Price. 3. ... Goals from Price—Sanborn, Frerrell.

Time—20-minute periods.

Winners—Hopkins.

Time—Concertive.

Twilight, at 8:15, the team will meet the Junior Class from the Union. The game will be played in the Ward room in Blossom street. The latter is a strong team, having defeated the Sophomores and also some of the strongest amateur teams in the city.

E. E. SOCIETY.
