CO-OPERATION WITH ENGLISH DEPARTMENT

Freshmen May Substitute Work On Paper for Part of English Course.

The English Department has recently decided to establish a special section in second term English for the Freshmen who are working on THE TECH. This section will be open to any Freshman who is interested, and will consist of a group of between twenty-five and thirty students. The section will be held in Rooms 12 and 13 of the Engineering Laboratory building, which is now being prepared for photographs which will be used in the composition of the weekly paper. The section will meet every Thursday morning at 10:00 A.M., and will continue until the end of the term.

PRESIDENT MACLAURIN OUTLINES IDEALS OF NEW TECHNOLOGY AT ALUMNI REUNION

He Announces to Enthusiastic Tech Alumni that

Educational Buildings will be Completed in

Fall of 1915, a half Century After

-Rogers was First Used.

Yesterday afternoon an unusually large group of alumni gathered in the spacious Hotel Plaza, in New York City, to hear President Maclaurin enthusiastically receive and apply the address of President Arlo Bates.精品双语教学

The audience consisted of more than 500 members of the Alumni Association, who had gathered to hear the President's address. President Maclaurin's words were received with enthusiasm and appreciation.

PROSPECTS FOR NEW YORK TRIP PROMISING

Show Has Made Preparations For Extensive Publicity During Reunion.

As this is the time of the Alumni Reunion, Tech Show, 1913, is doing the most it can to persuade the hundreds of fresh faces who are now attending the show to make a trip to the New York City. It has been the ambition of the Show management for the last six weeks.

The possibility of such a production was first brought to the attention of the New York Alumni Association by R. W. Weeks, General Manager, on the 15th of last November. The Association seemed to be enthusiastic about the project and appointed a committee to work out the scheme.

Mr. Underwood to Give Address

Society of Arts.

Mr. Underwood will give an address on Mosquitoes Monday.

"Mosquitoes and Some Suggestions for Their Suppression" is the subject of the lecture to be given under the auspices of the Society of Arts in Engineering Hall, at 8:00 o'clock, this evening. The speaker will be Mr. W. E. Underwood, who is well known as an authority on the subject of entomology.

BASKETBALL TEAMS.

The Sophomore basketball team will play the last of Bridgeport Normal School tonite, at the Bridgeport Normal School gymnasium. The team is to have a chance to show their skill in the game, as they are expected to win the last game in order to be in the running at all. There has been decided improvement among some of the members of the team, and these men should be able to make a good showing with the team.

WEATHER.

Forcast for Boston and vicinity: Clear and colder; bright to high winds.
