THE TECH

WRESTLING TEAM GOES TO MARBLEHEAD

Last Meet Before Mid-Year—Two Freshmen Will Wrestle.

Yocht the last Tech wrestling team goes to Marblehead to meet V. M. C. A. team of that town. The Marblehead team is a new organization and not much is known about them. But Edward Anderson, former middleweight champion, is their coach, and under his guidance they ought to develop some pretty good material. The Tech team has shown itself good form in previous meets, as well as in practice, and they ought to get away with a majority of the bouts. Soyer, the fast little Freshman, who won his bout at Salem in the remarkable time of 45 seconds, is going into the 155-pound class. Moscow is unable to wrestle in the 125-pound class, and Loe, the wrestler from Portland, is going to wrestle in the 155-pound class, and Captain Cross will wrestle in the 150-pound class. The Tech team is fortunate in securing the services of "Cracker-jack" Butler as a coach. He will accompany his new charges to Marblehead tomorrow and get a line on the work they are doing. The train leaves the North Station at 5:55 P.M., on the Portland service.

CONCERT AT WOBURN

Last night a concert was given by the Tech Show Orchestra at the Emerson Hall in Woburn. The program was as follows: I, March—"Through War to Victory," 2, Vocal Quartette, 3, "Norwegian Dance," 4, render, H. O. Mann, 5, "Song of the Soil," Intermission. 6, March from "Suite," 7, Vocal Quartette, 8, "Venetian Love Song," 9, violin solo (a) Oberstass, (b) Koboldstanz, Mr. Eckman, 10, "Oh, Promise Me," V. M. F. Tallman, 11, "Waves of the Danube," Reeves, Quaker Girl, Diplomats.

The concert began promptly at 8 P.M. and continued for about two hours. The performance was witnessed by a large audience which seemed well pleased with the rendition of the music. The program was practically the same as the one given at Lowell with the addition of a few new numbers. Mr. Eckman, who took the place of Mr. Osborne McCarthy as conductor, proved to be very efficient and helped to make the concert a most successful affair. Credit is due, in a great measure, to Mr. Eckman for his violin solo, and to the quartette and H. O. Mann, 14.

The proceedings are to be devoted to the X-Ray Fund of the Charles Dana Memorial Hospital of Woburn, under the auspices of which the performance was conducted.

THE TECH SHOW TRIP

(Continued from Page 1.)

All men who have ordered army pipes, small, large, bent and half-bent, from the 1914 Pipe Committee may obtain them now in the Union, from 1 to 1 1/2 o'clock, by paying up.

The poker pipes have not yet been received by the committee, as they are still in the hands of the makers, Elrich & Kopf. They will probably be ready for delivery Monday noon. In the Union. The army pipes would have been ready yesterday, but the makers insisted that they should not leave the shop until they were thoroughly polished and put into the best possible condition.
