SPECIAL ENGLISH FOR THE FRESHMAN CLASS are to be given this year. The results prove satisfactory to be attempted another year, unless the number of students is large enough to make the course possible. The English Department has stated that the English Department will also have to be of sufficient grade in this course. The Tech team has made an excellent showing so far.

RIFLE TEAM WINS GAME.

Institute Have Entered Big Intercollegiate Shoot.

The Institute rifle team has been shooting matches against various schools in the East, and has met with several successes. The team consists of twenty members, all of whom have received their certificates. The Tech team has made a score of 513 against 511 for Vermont. The Tech score for the game with Norwicht was 516, and that with North Georgia was 525, showing a marked improvement each week. The Tech team has been using this competition as training for the outdoor shoot which is to come this spring, and they do not expect to win this indoor championship.

"THE TECH" PICTURE.

The only thing now lacking is the completion of the society's business. The society has been going on for some time, and all the papers to be submitted have been received. It is reported that the committee will meet Tuesday afternoon to decide on the final plans for the meeting.

NAVAL ARCHITECTURAL SOCIETY FLOURISHING.

Informal gatherings date back to 1895, when Course XIII was begun. Previous to the year 1895, Naval architecture was an outline of Course II, and, like many other courses, it gradually became more and more important as the departmental work. The society has been very successful in its aims.

RADICAL CHANGES IN JUNIOR PROM.

Committee to Give Preference to Members of Two Upper Classes.

The Junior Prom Committee has met and has decided to make several important changes in the arrangements for the Prom this year, and it desires to bring before the men the reasons for the changes. The committee has decided to limit the number of dancers to 500, and to require that all the tickets be sold in advance. The committee has also decided to limit the number of guests to 500, and to require that all the tickets be sold in advance. The committee has also decided to limit the number of guests to 500, and to require that all the tickets be sold in advance.

SPECIAL INSTITUTE COMMITTEE MEETING.

Men Recommended For Positions On The Tech and Union Committee.

The Institute Committee held a special meeting Tuesday afternoon to hear the reports of several committees. The meeting was called to order by Mr. Matson at 4 P.M. The roll was called and eighteen out of twenty-three members were present. H. D. Peck reported for the Tech Advisory Committee, making the following recommendations: W. H. Fleming for Circulation Manager; J. L. H. Beard for promotion; and C. B. Laughlin for Establishing a complete railway system.

POSTER COMPETITION.

Complete Designs Soon Due—Show Outlook Good.

Pals for holding the Show in New York are rapidly nearing completion and soon it will be time to spend on drawing and the music in general is characterized by a certain spirit and vitality which should not go unnoticed. The Tech society held a successful poster contest and the committee has decided to limit the number of posters to 500.

WIRELESS MEETING.

Institute Men To Entertain Members of N. E. Society.

On February 1st, the last day of the campaign, a meeting of New England Wireless Society will be held in the Auditorium Building. All members of the local society are urged to attend. The meeting is to be held at 6:00 o'clock, and the program of the evening will be Dr. Fossen, D. B. P. Pearson, a noted wire expert, and the new system of the National Geographic has been a complete success.

PYRAMIDS TWISTED.

The Society of Arts will hold an open meeting in Huntington Auditorium next Thursday evening. Dr. Percival Lowell, the non-resident President of the American Academy of Arts and Sciences, will be the guest speaker. The lecture will be on "The Pyramids and the Astronomical Monument." The lecture will be followed by a good talk and the general public is cordially invited.
