PORTFOLIO PICTURES.

March 20th set as final day—none received after this.

Again the senior portfolio committee desires to notify all seniors that pictures for the portfolio must be in positively on or before Saturday, March 20th, and that the proofs of these pictures must be mailed in not later than Tuesday, March 23rd. To avoid a possible delay in the publication of the book, the committee deemed it necessary to take this step and to hope that the seniors will realize the necessity and respond to the call at once. The committee also announces that these seniors who have not yet presented their history blanks must do so at once.
