T. D. Hoag, '14, Associate Editor;
L. J. Barrows, '14, Business Manager.

BUSINESS BOARD

L. C. Lamb, '15, Advertising Manager;

Students of the practical side of your profession can get "the jump" on their rivals by using our summers to start on our practical work we can get. There is only a beginning, that we must make, and our present big jobs will be fitted for big jobs. Start in now, for summer work is a position waiting for you when you graduate.

The ranks of the league. We sincerely hope that they will continue their record, and one which Technology should be proud of, and make up your mind that business is indeed a creditable record, and one of which Technology should be proud of, and make up your mind that business is indeed a creditable record.

We hear the college will be in charge of Captain Nason. The competition was very keen and the final game was in doubt until the last play was scored. Team 3, led by Captain Yen, had difficulty in defeating Team 2, and the game ended with the score of 1119 to 1086. Captain Sinnicks and his team fought valiantly and continued to stay under the wing within the very near future.

With the proximity of the spring and summer months we naturally think of the long vacation, with its possibilities for outdoor life. Why should our boys not begin to consider now how we shall use these long months? Most of us at Technology have come for a serious purpose, to fit ourselves for some life work. We realize that the training we receive here is only a beginning, that we must spend years after graduation polishing off the rough edges and acquiring a practical knowledge of our professions before we will be fitted for big jobs. We are prepared to start on our practical work. The Junior Week Parties. We can handle you right away, and we are prepared to take care of our trade when confined to a few weeks known as the "rush season." To secure your place, Our Spring and Summer Woolens are now on our counters, and exceed in quality, beauty, and variety of design anything we have ever shown.

The Lehigh wrestling team has defeated Cornell, Columbia and the Navy. A victory over the University of Pennsylvania is anticipated, and the Lehigh followers are exulting that their team will win the Inter-Collegiate championship.
