TECH SHOW CAST AND CHORUS TO REHEARSE

Coach Sanger Will Go Through the Book—Mr. McConathy to Lead Chorus.

This afternoon, at 3 o'clock, both cast and chorus will rehearse in the Union. Mr. Sanger will go over the entire book and the management announce that everyone in the show must be present.

Mr. Osborne McConathy will conduct the chorus in conjunction with the orchestra, the latter playing the Tech show songs. Mr. McConathy is quite prominent in musical circles in and around Boston. Just recently he had charge of the orchestra in the production of the Mikado given in Chelsea by the Mendelsohn Club of that place. He is in charge of the high school vocal work in that town besides being connected with numerous societies around Boston. He has done some band work and is now leader of the Show orchestra.

DATE SET FOR TECHNIQUE RUSH

Rush to Be Held April 15 in Old Stand in Rear of Copley Plaza.

Through the courtesy of the management of the Copley Plaza Hotel the vacant lot in the rear of the hotel will be available this year for the Technique Rush. This will make it possible for a large number of people to witness this spectacular event more advantageously from the windows of Pierce Building and Engineering R. and all around the site. The lot will be surrounded by the sidewalks, and the whole area will be occupied by the rushers who will make the rush for Technique, 1914, a material contest for both spirit and contestants. This, coupled with the fact that the rush is to take place on the same ground that the first rush was held on should be a great incentive for every undergraduate to make a strong try for one of the coveted volumes bearing the signature of President MacDonald.

CHESS TEAM CHOSEN

At a meeting of the Executive Committee of the Chess Club further arrangements for the coming meet with Brown were discussed and four men chosen to play. These men are: I. H. Bent,'12; C. K.
