GRADUATES OF LYNN HIGH SCHOOL MEET
Organization of New Club Will Be Discussed at Meeting Tomorrow Noon.

The organization of a Lynn High School Club is being actively advocated at the present time by Lynn men who are at the Institute. They have arranged to have a meeting tomorrow noon in the Institute. A number of men who have at any time lived in Lynn, and who are now at the Institute, are expected to attend.

There are a few men from Lynn who have attended the Institute for one or two years. They are interested in the national questions of the day, and are wondering where they may find an opportunity to study the questions of interest to them.

This club will join the ranks of the High School organizations at the Institute. Four strong clubs are already in existence, and they are very much in sympathy with the movement towards the establishment of a club at the Institute.

WALTER BYLAND, of Derby, Conn, was elected as fifteenth member of the Techmen Club. He is a member of the M. I. T. A. A., and a member of the M. I. T. A. A. Club.
