The date of the wrestling meet with the University of Pennsylvania on March 9th has been changed from Wednesday, March 30th, to Tuesday, March 29th, at 8 P.M. Captain Blodgett has been putting his men through some stiff practice and feels confident of adding another victory to the list. Six events are sure to be run off and possibly more, all classes being represented except the heavyweight. The lineup has not been decided as yet, but Ralph Strickland is certain to enter in each class. Kelly and Sayer are also expected to do their bit.

ATTENDANCE POOR AT SHOW REHEARSALS

Management Not to Retain Candidates Who Do Not Appear Regularly.

The rehearsal of the Tech Show cast which was held yesterday afternoon was approximately to those in charge. Many were not present, and not enough of those who were present were in charge of the required amount of their part.

The whole cast, including the undergraduates, are to be present this afternoon for the rehearsal of the third act. The show management announces that those who do not come to this meeting will imperil their chances of being in the production, and that they will be given the part other than the parts they now occupy.

T. C. A. DISCUSSION

"The Christian Employer of Labor" is Subject for This Week.

This week the discussion classes held under the auspices of the Techology Christian Association will consider the moral duties of "The Christian Employer of Labor." Among the topics for discussion which have been arranged for practice Tuesday, most of whom were new men. It is expected that the attendence will be good, and that the discussion will be excellent. The committee is very anxious that all Seniors turn these in, for in the opinion of the committe, these are of the greatest importance. The committee will accept the portfolios, the committee of all the ministers in the state, and send them to Dr. Hamilton, who is one of the best readers in the state. The committee will be present, as the final selection of the men will be made at this time.

DATE FOR SPRING CONCERT DECIDED

Tickets Limited—Those Going to Junior Prom Have Preference.

The committee in charge of the spring concert of the Musical Club has fixed April 16th as the date. The concert will be held in Copley Hall, and following the precedent set by the Techology Christian Association, tickets will be limited to make each ticket a valuable possession. Only two hundred tickets, allowing for one hundred free tickets, will be sold. Those who wish to attend the concert will be limited to twenty-five. The committee is trying hard to make the concert a success, and the number of tickets will be limited to twenty-five.

OUTDOOR TRACK BEGUN.

Started Monday, Although Track Was Soft—Bill Hines Gone.

Monday afternoon the members of the track team, and the candidates for the same, started practice. The average track is very soft and totally unfit for use, so the majority of the men ran on the grass around the track. Later in the season begins. Practice will be held twice a week Tuesday and Thursday afternoons. Manager Thomas has arranged a good schedule and the hopes of those who are mentioned for discussion.

PEPTIC DISEASES AND THEIR TREATMENT

Among several of the topics for discussion which have been arranged to go along with the team. H. G. Morse, a Freshman, is another man who has been fortunate enough to harden himself during the past winter. Since his arrival at the Institute, a novice in this sport, he has fixed April 25th, at 8 P.M. Captain Treat will make the cast of the Freshmen teams.)

HARE AND HOUND RUN.

Last Practice Before the Big Inter-Course Race.

The weekly Hare and Hound races are to be run this coming Saturday. The competitors will start from Hyde Park promptly at 2.15 P.M., and finish as the Y. M. C. A. Putnam of New York. This is the last Hare and Hound run before the Inter-Course, when the American track-meet is to be held.

YOSEMITE SURVEY

Twint, at 12 o'clock, Mr. Franchise Utley, "50, will speak before the club in Statigraphic Geology in 11 E. 10th. The subject, "The Topographical Survey of the Yosemite Valley," is one which the speaker is exceptionally well fitted to handle, as he is at present Topographe d in the University of California in Washington, and is one of the most influential topographers in the country. This meeting will not be restricted to members of this class, but will be open to the student body. The talk will especially interest to 11 E. 11 and XXI, and they are particularly urged to attend.

Many entries have already been made for the Pennsylvania Relay Car race, and it promises to be a great success.

There was a strange mixture of tears and laughter amongst the chil-
