THE TECH TO START BASEBALL PRACTICE

"Typewriter Ticklers" to Start For Nuttie on Monday-- Big Dope.

Preparations have been nearly completed for the spring training trip which THE TECH baseball team will take in trip for their annual game with the Technique. The official challenge for the game will be issued next week, and it has been rumored that the Year-Book men are hinting at accepting it, owing to the overwhelming demands which former boards have received at the hands of the Faculty in the past.

After a month of careful consideration Manager Workofhitz has decided upon the same place as last year, Nuttie, for the spring training camp. All the men but the promising candidates--Smith, who has signed up, put his hold out will not stop the trip, and the men will be given the Freshmen at the close of the U. S. History lecture to-day. A week later ballots will be distributed and the men will be given a chance to express their approval for admission or for the Union-Five Men On the committee to do like- wise. There will be absolutely no charge for admission or for the meals. The warm days recently have been quite lively by bunches of candidates who are getting so overcrowded that new ones are hesitating about accepting it, so that the Financial returns might be expected to be present. Some members of the Musical Club have volunteered to provide entertainment that night.

The Constitution and By-Laws Committee reported that they have distributed copies to the Sophomore class and that they intend to do the same to the other classes. Copies are to be given the freshmen at the close of the U. S. History lecture to-day. A week later ballots will be distributed and the men will be given a chance to express their approval unanimously.

The following members of the committee were absent from the meeting yesterday--Deer, Comstock, Guilford, Jewett, Horgan, Hsii and Tolman.

CHESS TEAM TO PLAY UNIVERSITY OF BROWN

Match at 2 O'Clock Today in the Union--Five Men On Tech Team.

This afternoon, at 2 o'clock, the Chess Committee of the University of Brown Chess Club in the Union. The meet will be conducted to forward to the members of the Tech team with much interest. The outcome can be given as the probable result of the match as there have been no games with any notable opposition. The Brown University team is an unknown quantity to all Techmen.

Three years ago the Brown and Tech teams met in a dual match that ended in favor of Technology. Since then the two clubs have not met.

A great incentive will be given to the candidates as there have been no games with any notable opposition. The Brown University team is an unknown quantity to all Techmen.

A final selection will be made yesterday noon of those who were to repre- sent Tech: C. E. Norwood, 14; T. E. Chandler, 14; F. F. Jones, 14; L. B. Hoyt, 14; W. G. Johnson, and the men selected. These are all strong men and are the ones who have in the club to-day.
